The drawings were received on 3/14/05. These drawings are approved by the Examiner.

EXAMINER'S AMENDMENT

The application has been amended as follows: Cancel claim 8.

Note that claim 8 is the non-elected claim and this is noted as being without traverse.

Allowable Subject Matter

Claims 1-7 and 9-20 are allowed.

The following is an examiner's statement of reasons for allowance: the claimed electrode structure is not shown nor fairly suggested by the prior art; specifically the citation of the outward extending groove electrode of the leg portion tip-side major surface from the in-groove electrode with the beside-groove electrode for leading the outward extending groove electrode on the leg portion major surface.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
